All assignments are selected through the online volunteer sign up sheet. You will be notified by email once the website is available for the coming season. It is important that we receive a valid email address so that you can be notified.

1. I agree to appear at time and place that I have selected on the website. If I fail to appear, I understand that my work bond will be forfeited and will be cashed by the Jackson Soccer Club (JSC). Failure to appear within 15 minutes of the assigned time is cause for forfeiture of the work bond.
2. The JSC will attempt to contact you by email with instructions on how to select an assignment at the website www.timetosignup.com/jacksonsoccer. If we cannot contact you by email we will attempt to contact you at one of the numbers provided. However, if we cannot contact you after a reasonable amount of attempts, you are at risk of having your check cashed. Please contact the Registrar if you do not receive notification about a work assignment. The club takes no responsibility to inform/remind you as to your assigned time. ***If you are not contacted it does not mean that you are relieved of fulfilling you obligation. It is your responsibility to contact the Registrar if you do not receive an email with sign up instructions.***
3. If for any reason the JSC is unable to cash the work bond check, I understand that my child (children) will be ineligible to participate in any future Jackson Soccer Club activities, until such time as the work bond and any associated bank fees/penalties are paid in full.
4. I understand that if for any reason I am unable to perform my assignment, then it is my responsibility to find a replacement (over the age of 18) or forfeit the work bond. The name of the replacement must be furnished to the JSC in advance.
5. If the work bond assignment is cancelled by the JSC (i.e., field closings, inclement weather, and change of activity date) we will attempt to reschedule you at a time and place agreed to by both you and the JSC. If there are no available open assignments at the time of cancellation, you will be released from your work bond obligation. Announcement to this effect will be posted on the web site. We may also attempt to contact you by phone or email. Do not assume that your assignment has been cancelled. If you are not sure, please show up for your assignment. Again, you risk having your check cashed if you do not show up for a shift that has not been cancelled.
6. **I understand that workbond assignments will only be selected through the website.** If I do not provide an email address, I risk not receiving timely notification to sign up and may not be able to select my preferred shift. Questions regarding workbond can be sent to the JSC Registrar.
7. I understand that only upon completion/release of my work bond assignment shall the work bond check be returned to me.
